GRANT COUNTY

Compliment by the Bureau of Im-

migration of This Territory.

A Brief Resume of the Work.

its edicient secretary, Max Frost, of Santa Fe, has just issued a bandsome hand-

book of 344 pages, showing the resourc-

ngs of the principal cities, mountains,

valleys, mining camps, ranches, fruit farms and the numerous beautiful scenes and pleasure resorts which abound

n this salubrious climate and future el-

A flattering tribute is paid to Grant

We find the following in regard to

The county sent is Silver City, situat-

ens of surrounding camps. It lies at the end of a branch line of the Santa Fe

ings of a public and semi-public character would do credit to an eastern county

seat. Since the opening of the Santa Rita copper mines in 1800 it has been a town site, but the energy of the last dec-ade has done more for its advancement

than all the previous years. Situated as it is, surrounded by mills and concen-

trators, almost in the very center of the

mining region, its stability and prosper-ity are assured. Large business blocks

are built or projected, and during the year 1893 about twenty-five business houses and handsome residences were

built within the city limits. It has a number of civic and social organizations

Its water-works, lying about two mile
